Peninsula Ridge Estates Winery Winemaker's Barrel Club

The spectacular 2016 vintage is now resting in barrel. This exclusive club will be limited to a small number of individuals and will allow us the opportunity to give you some very much deserved special treatment over the course of your 3 year membership.

How it works is simple: you purchase an empty new French or American oak barrel and we will have your name engraved on a plaque and placed on it. This way, you will be able to taste Peninsula Ridge wines from your very own barrel! Please reserve ahead. You will be invited to special Barrel Club events such as Club Appreciation Nights in the spring and post harvest. Members will also receive invitations to take part in our ever popular pre-release events where you can purchase our very best new wines at discounted prices!

American Oak Barrels *Please note: limited to 10 memberships in 2017.*

Your investment of \$695.00 allows our Winemaker to purchase a new American oak barrel which he will use for 3 years. In return, you will be issued a gift card for \$275.00 upon enrolment. In years 2 and 3, we will issue a gift card on the anniversary of your barrel purchase. You may choose wines for a total value of \$275.00 (for a grand total, after 3 years, of \$825.00). At the end of your 3 year membership, you can either take home an empty barrel or receive additional wines to a value of \$100.00!
